

## **7 Hills Tours Terms & Conditions**

All bookings made through our online booking facility will be subject to a transaction fee, as will walk-up bookings made through our card payment system.

Tours will take place in most weather conditions, but the company reserves the right to cancel a tour if weather is thought to present an unacceptable hazard.

Clothing appropriate to the weather should be worn, and footwear suitable for walking on rocky paths and wet grass.

On the tour, group members are responsible for their own physical safety, health and wellbeing, although all possible support will be available from the guide. Tour members should have at least an average level of fitness and should be able to walk moderate to steep rocky slopes, though no rope climbing is required.

Parents/caregivers are responsible for the wellbeing of any young people under the age of 16.

The company can accept no liability for any accident, injury, or loss or damage to personal belongings whilst on one of our tours, and by joining a tour you acknowledge and accept this condition of non-liability.

We welcome everyone on our tour regardless of race, gender, age, ethnicity, or sexuality and undertake to fully respect diversity. By booking a place on the tour the participant undertakes to treat all other tour guests with due respect.

### **Cancellation**

Tours may be cancelled without penalty until 48 hours before the tour time. Cancellation within 48 hours of the tour will incur a cancellation charge of 50% of the tour price.
